

CHÂTEAU VILLA BEL AIR

PRODUIT

The Villa Bel-Air Rouge 2021 stands out with a deep, brilliant garnet color, which paves the way for a wine of character.

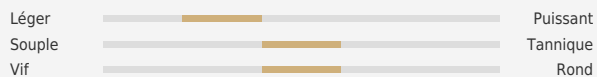

On the nose, it combines intense fruit (ripe red fruits, cherry, blackberry), floral notes (violet), and elegant, well-integrated spicy and oaky notes—vanilla and subtle smoke.

On the palate, it seduces with its ample structure: present but silky tannins, generous body without heaviness, and sufficient freshness to balance the power.

The finish is long and expressive, with a lovely persistence of black fruit, spices, and well-integrated oak.

A Graves red that can be enjoyed now with pleasure, but whose aging promises to evolve beautifully.

PROFIL GUSTATIF
