

CHÂTEAU PITRAY GRAND VIN

PRODUIT

This great Castillon wine offers a deep purple color and a complex nose of ripe red fruits, cedar, and sweet spices.

On the palate, it presents notes of candied fruit, dried figs, and currants, marked by their delicacy despite the sensation of great ripeness. The tannins are present but very velvety.

This wine is ideal with red meats, game, or mature cheeses.

The wine is rich but velvety and refined.
