

CHÂTEAU LARRIVET HAUT BRION

PRODUIT

Château Larrivet Haut-Brion's red wine is distinguished by a bright, dark, and deep garnet color.

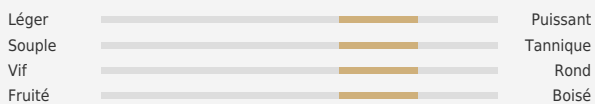

The nose opens with stewed black fruits—blackcurrant, blackberry—with hints of sweet spices, smoke, and well-integrated noble wood.

On the palate, the wine offers a full and rich texture: powerful yet well-integrated tannins, generous body, a balance between power and freshness, and the characteristic mineral trace of Graves is evident.

The finish is long, expressive, and elegant.

A promising wine for aging, but already capable of seducing after a few years in the cellar.

PROFIL GUSTATIF

NOTATIONS

Robert Parker : 93/100
