

ARUMS DE LAGRANGE - BLANC DE CHÂTEAU LAGRANGE

PRODUIT

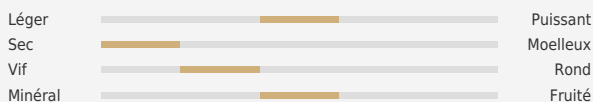

Presentation

Les Arums de Lagrange 2023 is the second white wine from the prestigious Château Lagrange, located in the Bordeaux appellation. This vintage is distinguished by its blend of 73% Sauvignon Blanc, 12% Sauvignon Gris, and 15% Sémillon. The grapes come from vines grown on clay-limestone soils, benefiting from optimal exposure for perfect ripening. After careful vinification, the wine is aged for 7 months in barrels, 40% of which are new, to refine its structure and aromatic complexity.

Tasting

The Les Arums de Lagrange 2023 is a brilliant pale yellow in color. The nose is expressive, revealing aromas of fresh fruit such as lemon, grapefruit, white peach, and pear, accompanied by floral notes of verbena and lightly toasted touches. On the palate, the wine is lively and fresh, with well-integrated acidity supporting a slightly oily texture. Flavors of exotic fruits and citrus blend harmoniously with mineral nuances, offering a long and elegant finish.
