

PAVILLON ROUGE DU CHÂTEAU MARGAUX

PRODUIT

Le Pavillon Rouge du Château Margaux 2019 is the second wine from the renowned Margaux estate, produced from a blend dominated by Cabernet Sauvignon, complemented by Merlot, Petit Verdot, and Cabernet Franc. The warm and balanced 2019 vintage produced a refined and concentrated wine. Only the finest plots were selected, reflecting the château's high standards. This wine expresses the classic Margaux style: elegance, purity, and harmony, with remarkable aging potential.

The color is deep purple. The nose opens with aromas of blackcurrant, blackberry, and violet, enhanced by notes of blond tobacco, cedar, and fine spices. On the palate, the attack is supple and velvety, supported by precise tannins and vibrant freshness. The texture is silky, the fruit perfectly ripe, and the finish is very long, subtly floral and mineral.
