

CHÂTEAU MARTET "RÉSERVE DE FAMILLE"

PRODUIT

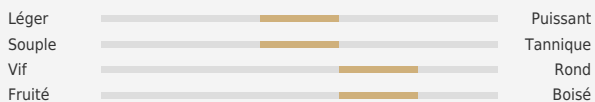

A pure Merlot aged for 18 months in new barrels and presented in a numbered bottle. The wine lives up to its promise, built around intense black fruit, somewhere between blackcurrant and blackberry, with hints of violet and raspberry.

The palate is powerful and dense, underlined by well-integrated tannins and plenty of freshness. A wine for aging, without excess tannins, with a very long finish. Hachette Guide 2023.

Powerful yet rounded, this wine offers a sensual smoothness with great suppleness on the palate. The combination of this iconic vintage and Nina Mitjavile makes this Château Martet « Réserve de Famille » a high-end wine, perfect for long aging.

Our recommendation: enjoy it with duck, but also goose, red meats, and mushroom dishes; it will bring you nothing but pleasure!
