

VINO NOBILE DI MONTEPULCINO

PRODUIT

This cuvée perfectly illustrates the finesse and balance typical of Vino Nobile. Made mainly from Prugnolo Gentile (Sangiovese), it expresses a seductive nose of black cherry, plum, and delicate floral notes, supported by a touch of spice. On the palate, the wine is elegant, with supple tannins, a beautiful freshness, and a lingering finish. Aged in oak barrels for about a year, it retains the purity of the fruit while gaining complexity. Accessible even in its youth, it pairs well with Tuscan dishes, grilled meats, and mature cheeses.

PROFIL GUSTATIF
