

CHÂTEAU ENCLOS HAUT-MAZEYRES

PRODUIT

The 2019 Château Enclos Haut-Mazeyres presents itself as a refined expression of Pomerol, rich yet balanced.

This vintage delivers beautiful aromatic concentration, with intense fruit that isn't overripe.

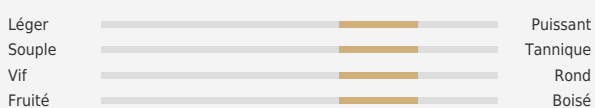

The tannic structure is firm but already well-rounded, and the aging (light oak) brings finesse and depth without masking the character of the terroir.

Tasting Notes:

- Nose: Wild black fruits (blackberry, blueberry), hints of undergrowth, damp earth, a light hint of truffle and sweet spices, and a subtle vanilla from barrel aging.
- Palate: Velvety attack, generous flesh, ripe yet fresh fruit. The tannins are fine and well-integrated, with a silky texture. A subtle underlying acidity provides balance and a beautiful tension.

This discreet Pomerol wine expresses all the finesse and indulgence of Merlot, in a refined, harmonious, and seductive style. It's therefore perfect for wine lovers seeking sophistication and aging potential, while remaining accessible immediately after decanting.
