

CHABLIS

PRODUIT

Located in the far north of Burgundy, the Chablis vineyard is renowned for its lively, mineral white wines made exclusively from Chardonnay. This Chablis from Maison Joseph Drouhin is an elegant and authentic expression of this, combining freshness, purity, and finesse. Produced from fossil-rich limestone soils, it reveals delicate aromas of citrus and white flowers, and a beautiful tension on the palate. Its long, saline finish demonstrates great respect for the terroir during the winemaking process. Perfect as an aperitif, it also pairs wonderfully with seafood, grilled fish, or goat cheese.
