

## CHÂTEAU PAPE CLÉMENT

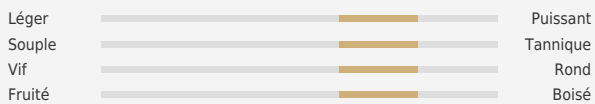

### PRODUIT

Pape Clément's red wine offers a deep, dark color, heralding a rich and structured wine. The olfactory bouquet combines ripe black fruits (blackcurrant, blackberry), spicy touches, cedar notes, and sometimes a hint of smoke or graphite depending on the vintage. On the palate, the texture is ample, the tannins precise, with a nice density but not heaviness, as the freshness and mineral tension typical of the terroir perfectly balance the power.

The finish is long and expressive, with black fruits, sweet spices, and a beautiful, elegant persistence.

A wine for aging—enjoyment guaranteed now after decanting, but should be kept for a few years for optimal development.
