

LE PETIT DE PETIT VILLAGE

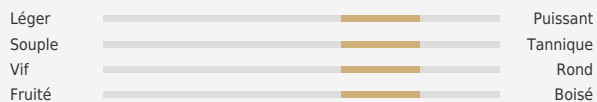

PRODUIT

The 2021 Petit de Petit Village is distinguished by its beautiful harmony: a nose blending ripe black fruits, violets, and fine spices, complemented by a hint of oak that is still perceptible but very well integrated.

On the palate, it displays a velvety texture, soft but well-supported tannins, a mouth-watering freshness, and a beautiful length. The careful aging, the plot selection, and the distinct terroir give the wine both deliciousness and structure. It's accessible now but promises excellent aging potential.

From the first nose, the prestigious terroir is elegantly revealed.

PROFIL GUSTATIF

IDENTITÉ
