

CHÂTEAU DE BIOUL - TERRE CHARLOT

PRODUIT

Planted on the Terre Charlot plot in the center of the village, these vines benefit from a slope where a vein of heat-accumulating carboniferous schist outcrops. Upon tasting, this wine will reveal exotic flavors of apricot and passion fruit with a hint of spice on the finish. The ripe fruit gives the wine a rounded character.

Serve between 8 and 10°C with warm goat cheese, fish, chicken with tarragon, Savoyard fondue, etc.
