

CHÂTEAU BARBEROUSSE

PRODUIT

Stéphane Puyol produces a Saint-Émilion at its finest.

This wine is made from a subtle blend dominated by Merlot (80%) and aged for 12 months in oak barrels.

On the nose, Barberousse reveals generous aromas of ripe red fruits—black cherry, blackberry—enhanced by a hint of vanilla and subtle oak, often toasted depending on the aging process.

On the palate, it is full-bodied, with pronounced yet silky tannins and a harmonious texture, with a beautiful fruit intensity and impressive length.

Typical of Saint-Émilion, this wine combines the richness of Merlot with the freshness and finesse provided by the secondary grape varieties and oak, offering good aging potential while still being very enjoyable young.
